We are excited to share with you another update for the brand new Sunwolves jersey. We have made some significant changes to the jersey in order to keep the fans interested. These changes include large block letters along the back of the jersey, a sleek new chest of the jersey, a new crest along the front of the jersey, and more. We hope this update provides a unique look that you will look forward to seeing throughout the season. How do you like these changes? Let us know by taking a look at the official photos! Pack your Skins and Sleeves, because we're going on the road for our first game of the season! Your Sunwolves take on the Blues in Auckland, New Zealand on February 24th.
