Pamela Jivani Pamela Jivani (also Pamela Jivani-Paul) is an Indian-American singer-songwriter, writer, dancer, painter and visual artist. She has had several successful albums independently as well as on Narada Productions, Kobra Music, Penthouse Music, Sony BMG Records, JDC Records and Atlantic Records. Personal life Pamela Jivani was born in Chandigarh, India on August 11, 1984. Her father is an engineer and her mother, a nanny. Jivani is the eldest of three children and has an elder sister and younger brother. She attended the Memorial School of Social Work, Chandigarh, India and served as the National President of the Student Council, while being a full-time graduate student. Jivani attended the University of Washington, Seattle, and was a member of the Rho Chapter of the Alpha Phi Omega Sorority. She graduated with a degree in history, worked for the public relations department of a law firm, and worked in the legal and investigative fields before opening her own legal firm in Los Angeles. After which she joined an entertainment firm in Beverly Hills, CA. After that, she developed her own career in the music industry, becoming a successful singer and songwriter. Jivani was not religious until she was adopted by a family in the United States. She adopted the name Pamela Jivani after her adoptive mother chose it as a protective name to shield her from cuts. Upon becoming a Christian, she chose the name Pamela Jivani after the name Pamela Anderson. Early influences Jivani learned to dance at an early age. 6a5afdb4c

Oculus has announced a new addition to its library, placing Mickey Mouse squarely in VR. Disney's Mickey has been a fixture of the company's film library since the 1920s, with Mickey Mouse films and shorts running the gamut from black and white shorts to full color features like Mickey's Magical Map. The company has brought the character to life and beyond in several games, including Mickey's Magical Telescope, Mickey's House of Mouse, and of course, the iconic Toy Story and Toy Story 2. Now, Mickey is coming to virtual reality. Available today on Oculus Home, the new "Mickey VR Funhouse" brings iconic characters like Mickey Mouse and Donald Duck to life in VR. Disney's Mickey Funhouse, which costs \$2.99, is available today on the Oculus Home store.

What's New in the?
