**What's new in Elden Ring:**

While on a cruise in the Lands Between one day, Dolf, a Tarnished who has had a tumultuous life, finds the bloodied dagger of the hero Tarnix within the wreckage of a ship. Dolf then awakens to the possibility of his own extraordinary power. As he searches for Tarnix, one day he learns of the legendary Elden Lord and becomes determined to be worthy of following in Tarnix's footsteps. As his strength increases, he prepares to find a new home in a networked online world.

Esper is a young man, who has lost his memory, and arrived at the castle of Barbas by chance. He and his childhood friend, Mirley, undertake a small venture, collecting herbs for an old woman. But by chance, they encounter a powerful beast and escape with Barbas's daughter, Silvery.

Eden, an orphan girl, has always been the little sister of Mirley. Lately, on a certain day, she loses contact with Mirley, and mistakens Barbas's statue for Mirley. Eden enrolls Barbas's castle in search of her beloved, but will she be able to resolve the mystery behind her own past?

Prison, a ranger, has remained true to the trust of a man who entrusted her the job. But she is gradually lured into his proximity, and despite her strict resolve, she becomes enticed by his words.

Irene, a sailor, and a young woman pursuing the glories of exploration, set her eyes on the unknown of the Lands Between. As she explores, a warrior made from flame, "Rulg Ilgyll," catches her eye, and Irene finds herself swept into a great adventure.

The three young people of this group, each as deceptively different as they are various, will meet and search for both the true answers behind their path in life, and for those who died before them. Together with the three stars of legend, for whose footsteps you will be inspired to follow, and the three scheming parasites that haunt this game, each of them witnessing their own bitter future, "what is the solution to" the theme, will unfold itself to you.

This game is about the ambitions of youth, but it's also about the bonds of love and friendship. The strong bonds between

[Glycoside of sechium makeeslianuomi decoction on ameliorating refractory asthma: a randomized, double-blind, controlled clinical trial]. To evaluate the effect of glycoside of sechium makeeslianuomi decoction (GSMD) on the treatment of refractory asthma. Seventy-two patients of refractory asthma were randomly divided into two groups, i.e., the treatment group treated with GSMD and the control group treated with routine treatment. The therapeutic efficacy, lung function test and serum beta-hexosaminidase of two groups before and after treatment were observed. The improvement rates of clinical symptoms, expiratory flow function parameters and serum beta-hexosaminidase activity in the treatment group were better than those in the control group (P ProjectB Module.
