## Virtual FortuneTeller: Lenormand Free X64 (2022)

Virtual Fortune Teller: Lenormand is a desktop application for Windows which can use any of the four known Lenormand decks: The Universal (originally called the Casino De Paris) The Marseilles The Bohemia The Von Siebold The application has functionality of automatic predictions, using 3 different Monte Carlo-derived methods: Oracle The Stern The Biernacki's method The Random Additionally there is a wizard, which allows the user to choose what kind of result he would like to get. The selections are: - Oracle - Stratified - Maxi - AutoMaxi Under software's help is explained all the necessary input in correct, consistent and convenient way. A. U. B.O.N.A.L. (Universal B.O.N.A.L.) features: Syntax of the procedure which allows the most accurate predictions User can choose card to predict in own drawing User can specify a card in his hand to predict with Settings for the photoperiod of the user User can specify the time of the day for predictions Settings for the predicted card (soul card, Chinese card, etc.) Manual use the Universal

---

deck to choose card to predict in own drawing  
Calendar of the predicted cards to allow the  
user to compare the forecast over time  
Simultaneous display of the prediction Manual  
use the Universal deck in the different spread  
(with using the Marquee option) Choose  
background (for example use the same  
background as when using Standard Time)  
Custom cards for the deck (The General, etc.)  
Although Virtual Fortune Teller was built as a  
general tool, some of the functions can be used  
only for

#### **What's New in the?**

\* Read and control the activity of cards in the  
spread. \* Change the position of the cards in the  
spread. \* Know what the cards mean, who will  
cause difficulties. \* Change the background and  
animations. \* Get a report about the objects in  
your life \* Your answers are reported to you at a  
fast pace \* The information is accurate (if the  
decision about the course of events is found in  
the knowledge base). Virtual Fortune Teller:  
Lenormand will help you to find out the cause of  
the problems in your life. You will get the

---

advice, which will help you to get out of an unpleasant situation, do not lose your job, finance, change your attitude to the problems of life. Program Virtual Fortune Teller: Lenormand includes a knowledge base containing interpretations for tens of thousands of cards and their positions and combinations. The virtual classroom is a traditional suit of cards with placards, so you can see the actual cards, their positions and symbols. For each decision you choose you will be provided with the results of the Lenormand diagnosis - the cards with the positions and combinations corresponding to your decision. In addition to the report of the results of the analysis, the program provides a variety of tips, and you can use them to change the course of events. At any time you can use the virtual toolbox to specify the cards to be analyzed. You can have the cards analyzed at any time you want. Regardless of the time of the day, you can always get results of your analysis from the program. Virtual Fortune Teller: Lenormand will help you to find out the cause of the problems in your life. You will get the advice, which will help you to get out of an unpleasant situation, do not

---

lose your job, finance, change your attitude to the problems of life. You will get to know your future. Program Virtual Fortune Teller:  
Lenormand features: \* A card reader for you to read the cards directly. \* A deck of cards with placards, so you can see the actual cards, their positions and symbols. \* Globalization, in which the program will analyze cards from any suit and any time of the day. \* User interface for easy and convenient use, without having to learn complicated program concepts. \* Reports on card readings, providing accurate and reliable information about the future. \* Dynamic and customizable settings. \* Available in ten languages:
