Oman – Oman (/ɒmæn/), officially the Sultanate of Oman, is a sovereign Arab kingdom in Western Asia. It is geographically in the Middle East, a country with nearly four million inhabitants, Oman is bordered by Saudi Arabia to the south, Yemen to the west, the United Arab Emirates to the north, and the Gulf of Oman to the east. The capital, Muscat, has an estimated population of 2.3 million. Oman is home to several ancient monuments, including the world's only UNESCO World Heritage Site – the Old City of Muscat, in the early 16th century, the Omani sultanate extended over the whole of the Arabian Peninsula. In 1565, it invaded Bahrayn and parts of Yemen, conquering the latter in 1573, but relinquishing it shortly thereafter. The latter was ceded by the Ottomans in 1738, in turn, Oman sided with the Allies during World War I. In 1932, the British proclaimed a protectorate over Oman, and in 1942, it was granted independence under the leadership of Sultan Said bin Taimur al-Sa`id (who became the Sultan of Oman). In 1970, a conservative coup led by Qaboos bin Said abolished all previous republican forms of government in Oman, only the Islamic law is practised in Oman today. Oman is a constitutional, hereditary monarchy, with executive power vested in the monarch as sultan and prime minister. As the leader of Oman, the Sultan is its head of state and a number of other titles and offices are given to the sultanate in order to express and regulate loyalty. He is also commander in chief of the military, head of the Royal Family, and patron of sport and culture. Oman has a multi-party parliamentary system, but in practice power is held by the Al Said family. Political parties were legalized in 1953 and major elections were held in 1956, 1962 and 1967. The Constitution of Oman was amended in 1970 to define the monarchy as “the legal form of government under which the Sultan is the head of state” and a Revolutionary Council was

established as a legislative body. Prior to the 1970 revolution, the Istiqlal was the primary political party and Muscat, the ruling elite of Muscat, was composed of Muhammadi, Naseefi and Wahabis. Following the 1970 revolution, two other rival factions emerged, those of the Al Musawi and the Al Said. Mus 6d1f23a050
